2. The OL Safety and Health Committee, in accordance with [redacted] Safety and Health, oversees OL's safety and health program and is responsible for submitting statements for inclusion in the subject report. In this regard, I would appreciate the Committee's completion of the questionnaire, except questions 2, 3, and 4, applying the questions to OL's health and safety program.

3. Your input is required by 19 February 1982 to meet a 23 February suspense date.
